It's Enough Now

Mandalay

You knowYou know
There's still a sense i
Have you've stolen these days
All your love is hereIf love is given in to
Hope you're fooling yourself
It's as if you knew knew knew all alongIt's enough now
It's your loss now
It's just that I'm low
It's enough now
It's your loss now
It's just I don't knowYou know
You steal the sunlight
How you steal your own scene still
Oh no no you're reasonable
If hope is given in to
How we need to be now
It's as if you knew
You knew all alongIt's enough now
It's your loss now
It's just that I'm low
It's enough now
It's your loss now
It's just I don't know
