4 U

PP?

This shit right here is 4 U
All your faces I can see
You all think it's about meI'm about to break
This is my fate
Am I still damned to a life
Of misery and hate?You will never know
What it did 4 U?
What you are?
Got me throughI've done 4 U
I could have never lived
If it wasn't 4 U
