Give It A Rest

Nobodys

I hate my job, i hate my life.
If i was married i'd hate my wife. Oh Yeah.
If i had kids i'd hate them too.
But not as much as i hate you. Oh no.I'm sick of people telling me what they think is best.
Just cause my life is a fucking mess.
I'm sick of people telling me what they think is best.
I wish they'd shut their fucking mouth and give it a rest.I've heard it once, i've heard it twice.
Don't wanna hear no more advice from you.
Same shit, different day.
I don't care what you say no more.I'm sick of people telling me what they think is best.
Just cause my life is a fucking mess.
I'm sick of people telling me what they think is best.
I wish they'd shut their fucking mouth and give it a rest.
