Gaze

Play Dead

Alone he sits in an unknown place
danger comes to bring a smile
complex searching his complex served him
to smash your image smash your stylelife's hard in the shadow of words
more complicated is when you're running
no time no time no time to gazevision fades on neutral screen
no release for marshall cummings
tears shower into my hands
there's no stops in what I'm becoming
life's hard in the shadow of words
more complicated is when you're running
no time no time no time to gaze
Room is bought for screaming fair
I reconsider my position
I dream of colours - the man who's seen
such hard ways to revive a conditionlife's hard in the shadow of words
more complicated is when you're running
no time no time no time to gaze
