Letâ€™s Go Steady Again

Sam Cooke

You left me for a new love
You found out it wasn't a true love
Now that he's gone
Let's go steady one more timePlease don't cry, you've got to be strong dear
I know, I know, I know, I know, I know he was wrong dear
But now that he's gone, let's go steady one more timeI know he was wrong to come to the dance
With another girl the way, that he did
I knew he was wrong when he took your love from me
After all he was once my best friendBut that's all in the past oh, let's forget him
He'll never hurt you anymore, I won't let him
Now that he's gone, let's go steady one more timeYes, he was wrong to come to the dance
With another girl the way that he did
I knew he was wrong when he took your love from me
After all he was once my best friendBut that's all in the past, oh, let's forget him
He'll never hurt you anymore, I won't let him
Now that he's gone, let's go steady one more time
