

There Is a Mountain

Donovan

The lock upon my garden gate's a snail, that's what it is

The lock upon my garden gate's a snail, that's what it is

First there is a mountain, then there is no mountain, then there is

First there is a mountain, then there is no mountain, then there is
The caterpillar sheds his skin to find a butterfly
within

Caterpillar sheds his skin to find a butterfly within

First there is a mountain, then there is no mountain, then there is

First there is a mountain, then there is no mountain
Oh Wanita, oh Wanita, oh Wanita, I call your name

Oh, the snow will be a blinding sight to see as it lies on yonder hillside
The lock upon my garden gate's a snail,
that's what it is

The lock upon my garden gate's a snail, that's what it is

Caterpillar sheds his skin to find a butterfly within

Caterpillar sheds his skin to find a butterfly within
First there is a mountain, then there is no mountain, then there
is

First there is a mountain, then there is no mountain, then there is

First there is a mountain, then there is no mountain, then there is
