Middle Man

Josh Canova

I don't have a need to be the best
Don't want to be just like the rest
Just stay who I am
Just an ordinary middle man
Give me the happy medium
Don't want to be the one
Whose leading them, no, no
I've got no master plan
Just a simple middle man
Standing on a fine line
Between this and that
Just biding my time
Waiting for a sign
To tell me that
I'm something special, well, well
My ideas are mine alone
Not yours, not theirs, what I care
I hurt for you, but not with you
I love that thing that's inside you
But I'm not your fan
I'm a stranger in a strange land
I'm your middle man
But I'm not your fan
I'm a stranger in a strange land
I am your middle man
Middle man, yeah-e-yeah
Yeah-e-yeah
I'm not your fan
I'm just the middle man
Just an ordinary man
I'm not your master plan
Just the way who I'm
Just a middle man
