Lay Down (Radio Edit)

Jimmy Somerville

It's exciting when you come 'round
Something special is going down
You provide me my rousing highs
Make me, make me
Lay down and give it up
Make me, make me
Lay down and give it up
Give it up, give it up
I prefer to be on my knees
It's the only way to receive
To my lips you come liquefied
So make me, make me
Lay down and give it up
Make me make me
Lay down and give it up
Give it up, give it up
I can't help but emphasize
Heaven lies
Between your thighs
Call me shallow
But I don't lie
So make me, make me
Lay down and give it up
Make me, make me
Lay down and give it up
Give it up, give it up...
