Gentleman

Playlist DJs

If you ever need to cry...
I'll wipe the tears right from your eyes.
Oh yes, I will.
If you can't fall asleep at night...
I'll sing to you a lullaby.
Oh yes, I will.
(Chorus)
Can I be your gentlemen?
I'll be as gentle as I can.
Girl, what will it take?
To be your gentlemen.
I swear I'll be the luckiest man.
If I can be your gentlemen.
I wanna be the one you hug.
When the world is just too much.
Oh what you say?
I wanna be the one you trust. (trust)
I'll keep your secrets between us.
Oh what you say?
(Chorus)

(Second Verse)
Can I be your gentlemen?
I'll be as gentle as I can.
Girl, what what would it take?
To be your gentlemen.
I swear I'll be the luckiest man.
If I could be your gentlemen.
Yeah.
I will open every door for you.
'Cause my lady should be first - awh yeah.
I'll throw my jacket over a puddle.
'Cause my lady should be first, ooooh yeaah.
So tell me baby possibly, that you might consider me?
Just say you will.
And I love you humbly.
I just pray that you believe -
That I could be your gentlemen.
Ooh.

Da duh da duh da duh...
Da duh da duh da duh...
Da duh da duh da duh... (x2)
Da da duh duh duh da...
