Resurrection

Jason Gray

Knuckles white, you hold on tight
For far too long you've been hanging on
Leave your past right where it's at
'Cause every night gives way to dawnI ain't talkin' about death, no no
I'm talkin' about life, yeah yeah
Because of grace we're not who we were yesterdayI believe in resurrection
I believe in second chances
Love's just beginning
To rewrite the ending
I believe it's far from over
Even when it looks like hope is gone, gone, gone
I believe in resurrection
I believe in resurrectionThere's still life beyond our sin
Where the dreams that die are born again
I'm telling myself what I'm tellin you
I have to believe He's making all things newI ain't talkin' about death, no no
I'm talkin' about life, yeah yeah
Because of grace we are more than our mistakesI believe in resurrection
I believe in second chances
Love's just beginning
To rewrite the ending
I believe it's far from over
Even when it looks like hope is gone, gone, gone
I believe in resurrection
I believe in resurrectionYou might be down, you might be out, you might be all alone
You might feel lost, but you're almost homeI ain't talkin' about death, no no
I'm talkin' about life, yeah yeah
Because of grace we're breathing in a brand new dayI believe in resurrection
I believe in second chances
Love's just beginning
To rewrite the ending
I believe it's far from over
Even when it looks like hope is gone, gone, gone
I believe in resurrection
I believe in resurrection
