This is Crazy Now

Vonda Shepard

Blown like the wind, restless again
My only friend has gone away
Washed like the tide but I'm still alive
I'm gonna drive all night longThis is crazy now
I'll fill the space somehow
If there were someway to get throughThis is crazy now
I'll fill the space somehow
I can't walk away from youShaken like a leaf, sharpened like a reef
All of my senses need relief
Looking out to see, I still believe
That you and I were meant to beThis is crazy now
I'll fill the space somehow
If there were someway to get throughThis is crazy now
(Like a finger paint)
I'll fill the space somehow
(Smearing in the rain)
I can't walk away from you
(Wash it all away)This is crazy now
(Like a finger paint)
I'll fill the space somehow
(Smearing in the rain)
If there were someway to get through
(Wash it all away)This is crazy now
(Shaken like a leaf)
I'll fill the space somehow
(Sharpened like a reef)
I can't walk away from youI can't walk away from you
