Saturday

Patty Walters

I feel good
'Cause it's Saturday mornin'
I'm feelin' so good,
'Cause I woke up next to you, girl.
All last week, you didn't know how it felt.
You thought that we were just friends.
But all of this time, I had plans to make you more.
Maybe be my girlfriend.
Woo-Ohhhh.
'Cause it's Saturday
And I just fell in love.
'Cause it's Saturday,
And everything is goin' my way.
Yeahh
I feel good
'Cause we're finally holdin' hands together-er
I'm feelin' so good
'Cause now my heart is your's forever-er.
All last week, you didn't know how you felt
You thought that we were just friends
But all of this time I had plans to make you mine
Maybe be my girlfriend.
Oohhh.

'Cause it's Saturday
And I just fell in love
'Cause it's Saturday
And everything is going my way.
Yeahh.
I'm gonna scream it to the world
I'm gonna shout it out loud
At the top of my lungs
Alright.
I'm in love...
I'm in real love
I'm in love...
For the very first ti-ime,
Yeeah, ah, ah.
'Cause it's Saturday

And I just fell in love
'Cause it's Saturday
And everything is going' my way
Yeahh.
'Cause it's Saruday
And I just fell in love
'Cause it's Saturday
And everything is goin' my way
Yeah, yeahhh!
