Proud (Peter Presta QAF V Mix) Exclusive

Heather Small

I look into the window of my mind
Reflections of the fears I know I've left behind
I step out of the ordinary
I can feel my soul ascending
I am on my way
Can't stop me now
And you can do the sameWhat have you done today to make you feel proud?
It's never too late to try
What have you done today to make you feel proud?
You could be so many people
If you make that break for freedom
What have you done today to make you feel proud?Still so many answers I don't know
Realise that to question is how we grow
So I step out of the ordinary
I can feel my soul ascending
I am on my way
Can't stop me now
And you can do the sameWhat have you done today to make you feel proud?
It's never too late to try
What have you done today to make you feel proud?
You could be so many people
If you make that break for freedom
What have you done today to make you feel proud?We need a change
Do it today
I can feel my spirit rising
We need a change
So do it today
'Cause I can see a clear horizonWhat have you done today to make you feel proud?
So what have you done today to make you feel proud?
'Cause you could be so many people
If you make that break for freedom
So what have you done today to make you feel proud?
What have you done today to make you feel proud?
What have you done today
You could be so many people?
Just make that break for freedom
So what have you done today to make you feel proud?
