

Tennessee

Kiara

[Verse 1]

I'm a ghost when I walk in
Holy spirit when I walk out
You want that fame you can have that fame
Disappearing when the light's out
Chasing money got me feelin' funny (Ooh)
We just want that real shit (Ooh)
All those pictures on the internet (Ooh)
Burn 'em up like a cigarette[Pre-chorus]

(Ooh) We just want that real shit
(Ooh) We just want that real
(Ooh) Now you just a memory
(Ooh) Sippin' on that Tennessee[Chorus One]
(Sample) Sippin' on that Tennessee
(Sample) Sippin' on that Tennessee
(Sample) Sippin' on that Tennessee[Verse 2]

Want that feeling when you can't breathe
I like the color red, so I let it bleed
Something pretty 'bout the pink soil
It's like a game to me. It's like a game to me[Pre-Chorus][Chorus Two]
(Sample) Sippin' on that Tennessee
(Sample) Sippin' on that Tennessee
Do it!

(Sample) Sippin' on that Tennessee
(Sample)[Bridge]
Do you remember when they bowed to us like kings my friend?
We were the champions
We were the champions

Hey now even when castles have blown to the wind
I know they talk about us now and then saying we were the champions
(Sample) We were the champions
(Sample) Sippin' on that Tennessee
Do it![Outro]
(Sample) Sippin' on that Tennessee
(Sample) Sippin' on that Tennessee
