Waiting

Aquilo

I'll leave it alone
Back off if you want
I know that it's wrong
But you know where you belong
It's easy to see
But you don't buy what you eat
This light that you need
Is here fading in meI'm waiting for you darling
I'm waiting for the one
I'm waiting for you darling
Just say it and nothing will stand in my wayI'll leave you alone
Pack my bags and go home
There's something you should know
I won't stop till you know that I mean itI'm waiting for you darling
I'm waiting for the one
I'm waiting for you darling
Just say it and nothing will stand in my way
I'm waiting for you darling
I'm waiting for the one
I'm waiting for you darling
Just say it and nothing will stand in your way (hmm)
Nothing will stand in your way
'Cause I really love you
Waiting for you darling
Waiting for the one
Waiting for you darling
Just say it an nothing will stand in your way
Waiting for you darling, (ahh ahh)
Waiting for the one (ahh ahh)
Waiting for you darling, (ahh ahh)
Just say it an nothing will stand in my way
