The Beginning

evo-lution

You don't know what it's like
To be there when it's over
If love was like a battlefield
Would you put me on your shoulder
And time don't mend broken hearts
And this one's getting colder
And as the seasons fall apart
And I feel a little older
I know you're wrong
To leave me where I'm standing
I don't wanna let you go
But in my heart now I know
That it's only the beginning of the end
I don't know anymore
These days are never endin'
This love is like an open door
And I'm tired of just pretendin'
I know you're wrong
To leave me where I'm standing
I don't wanna let you go
But in my heart now I know
That it's only the beginning of the end
When I gave my heart to you
I didn't know what love could do
And all the pain it's put me through. oh
I don't wanna let you go
But in my heart now I know
That it's only the beginning of the end
I don't wanna let you go
But in my heart now I know
That it's only the beginning of the end
