What Hurts the Most

Rascal Flatts

I can take the rain on the roof of this empty house
That don't bother me
I can take a few tears now and then and just let 'em out
I'm not afraid to cry every once in a while
Even though goin' on with you gone still upsets me
There are days every now and again I pretend I'm okay
But that's not what gets me[Chorus]
What hurts the most was being so close
And havin' so much to say
And watchin' you walk away
And never knowin' what could've been
And not seein' that lovin' you
Is what I was trying to doIt's hard to deal with the pain of losin' you everywhere I go
But I'm doing it
It's hard to force that smile when I see our old friends and I'm alone
Still harder gettin' up, gettin' dressed, livin' with this regret
But I know if I could do it over
I would trade, give away all the words that I saved in my heart
That I left unspokenWhat hurts the most was being so close
And havin' so much to say
And watchin' you walk away
And never knowin' what could've been
And not seein' that lovin' you
Is what I was trying to do, oh[Chorus](Not seeing that lovin' you)
That's what I was trying to do, ooh
