

# Melancholy Protection

## Millencolin

Things you never would have told  
Aren't secrets anymore  
Today you talk about that time  
When your mind was really sore  
Now I know why you have been thinking  
About the other side  
You never thought that it would happen  
And now you have lost your pride  
Going up, going down  
Sometimes I feel the same way as you do  
You feel to scream, you feel to cry  
Melancholy protection  
You've got to move on

You are chanceless  
You are chanceless  
To find the warmth again  
You are chanceless  
You are chanceless  
But can't forget what happened then  
You are chanceless  
You are chanceless  
To find the warmth again  
You are chanceless  
You are chanceless  
But can't forget what happened then
