

Red Lights

Uriah Heep

Red lights, on the highway
Headlights, blinding my eye
Red lights, keep me waiting
White lights, drive me insane
Red lights, in the city
Streetlights, high in the night
Searchlights, I'm looking for someone
Red lights, young blood's alright Try as I can but ?
I can't keep away
No no no no way Red lights, she knows what I'm here for
Headlights, look me in the eye
Red lights, are you looking for danger
White lights, drives me insane Try as I can but ?
I can't keep away
No no no, not for one day Red lights, no questions
Streetlights 'c youth's desire?
Red lights, burning desire
White lights 'c put you to bed ?
Red lights in the city
Streetlights, shadow the night
Sunshine, if you need some one
Headlights, that young blood's alright Try as I can but ?
I can't keep away
Not today
She brings me to my knees
Try as I can but ?
I can't keep away
I want you babe? Red lights, oh, I want you
Red lights, I need it
Red lights, you get too heavy
Red lights
