Lazy Days

Ajello

Lazy days in Los Angeles
If it ain't your parents it's the damn police
We just wanna get our kicks for free
We just wanna get our kicks for free
Well, I was walkin' through MacArthur Park
Lookin' for some sugar just to cure my heart
And after dark I talk to the cabby
'Cause he drives me home if I call him daddy
And it's alright
Just as long as I can get high
Sit back and watch the sunset in the sky
I don't know if you know what I mean
But it's love in Los Angeles
Hey, lazy days in Los Angeles
If it ain't your parents it's the damn police
We just wanna get our kicks for free
We just wanna get our kicks for free
Lazy days in Los Angeles
If it ain't your parents it's the damn police
We just wanna get our kicks for free
We just wanna get our kicks for free
Walkin' through Malibu, not a thing to do
Gotta find a fine young little girl to screw over
I never meant to block your sunshine
I never meant to block your sunshine
I never meant to block your sun
I don't know if you know what I mean
But it's love in Los Angeles
Lazy days in Los Angeles
If it ain't your parents it's the damn police
We just wanna get our kicks for free
We just wanna get our kicks for free
Lazy days in Los Angeles
If it ain't your parents it's the damn police
We just wanna get our kicks for free
We just wanna get our kicks for free
Now everybody clap your hands
We're gonna do the dirty dance
Now everybody stomp your feet

To the beat, c'mon
We just wanna get our kicks for free
We just wanna get our kicks for free
Tryna get 'em for free
We just wanna get our kicks for free
Tryna get 'em for free
I don't know if you know what I mean
But it's love in Los Angeles
It's love, it's love, it's love
Lazy days in Los Angeles
If it ain't your parents it's the damn police
We just wanna get our kicks for free
We just wanna get our kicks for free
Lazy days in Los Angeles
If it ain't your parents it's the damn police
We just wanna get our kicks for free
We just wanna get our kicks for free
Lazy days in Los Angeles
If it ain't your parents it's the damn police
We just wanna get our kicks for free
We just wanna get our kicks for free
Lazy days in Los Angeles
If it ain't your parents it's the damn police
We just wanna get our kicks for free
We just wanna get our kicks for free
Lazy days in Los Angeles
If it ain't your parents it's the damn police
We just wanna get our kicks for free
We just wanna get our kicks for free
Lazy days in Los Angeles
If it ain't your parents, it's the damn police
We just wanna get our kicks for free
We just wanna get our kicks for free
