Let's Make This Last 4Ever

Mitchel Musso

I need a kick drum,
A guitar now,
And a bass line,
And imma show you how,How to rock
How to dance
How to get down,
All i need is a piano in my trackThrow your hands
Throw your hands
Throw your hands
Throw your hands up
(Whoa, whoa)Cause you can't
Cause you can't
Cause you can't
Cause you can't stop
(Whoa, whoa)Can you hear me
Do you feel it
If you're with me go
1-2-3Cause we're here and we're now and we're all together
So let's make this last foreverTurn the amps on
Turns the lights down
Bush yourself off
And Imma show you howHow to rock
How to dance
How to get down
Everybody on the floor nowThrow your hands
Throw your hands
Throw your hands
Throw your hands up
(Whoa, whoa)Cause you can't
Cause you can't
Cause you can't
Cause you can't stop
(Whoa, whoa)Can you hear me
Do you feel it
If you're with me go
1-2-3Cause we're here and we're now and we're all together
So let's make this last foreverLet's make this last forever
Let's make this last forever
Let's make this last foreverOf all the stars in the sky tonight

Compared to us well they don't shine quite as brightThrow your hands
Throw your hands
Throw your hands
Throw your hands up
(Whoa, whoa)Cause you can't
Cause you can't
Cause you can't
Cause you can't stop
(Whoa, whoa)Can you hear me
Do you feel it
If you're with me go
1-2-3Cause we're here and we're now and we're all together
So let's make this last foreverThrow your hands
Throw your hands
Throw your hands
Throw your hands up
(Whoa, whoa)Cause you can't
Cause you can't
Cause you can't
Cause you can't stop
(Whoa, whoa)Can you hear me
Do you feel it
If you're with me go
1-2-3Cause we're here and we're now and we're all together
So let's make this last foreverLet's make this last forever
Let's make this last forever
Let's make this last forever
Let's make this last forever
Let's make this last foreverCause we're here and we're now and we're all together
So let's make this last forever
