Questions

It's Alive

Just give me the truth
So I'm not surprised
Girl, I've been as patient as I can
You've dragged this out
I'm over the lies
And my mind is wasted on these fightsWhat the fuck do I do
When the one that I love
Gives themself to another?
Well I need closure stillWhen he is inside you, do you think of me?
When you're screaming his name, is it the same?
All of these questions, they are haunting me
And I'm not the same and won't be
'Til you're not okay
Just give me it straight
So I can move on
I need all the details
Right or wrong
You call me insane
I need to know everything
I just need a reason to end this gameWhat the fuck did I do?
Should've seen straight through what you do
But I was too blind to see
All the shit that you put me throughWhen he is inside you, do you think of me?
When you're screaming his name, is it the same?
All of these questions, they are haunting me
And I'm not the same and won't be
'Til you're not okay
I said
Not a soul in this world
Could have ever loved you more
With my heart in my mouth
And my brain on the floorNot a soul in this world
Could have ever loved you more
With my heart in my mouth
And my brain on the floorNow I'm gone
I'm gone
Now I'm gone
I'm gone
Now I'm gone

I'm gone
Now I'm gone
I'm gone...
