Every week, move is small
When he cared, when he did love
When he knew, when he'd fall
I hear she'd fall, ha, she fell
Hear she'd fall, ha, she fellEvery week, move is small
When he cared, when he did love
When he knew, when he'd fall
I hear she'd fall, ha, she fell
Hear she'd fall, ha, she fellEvery week, move is small
When he cared and when he did love
When he knew, when he'd fall
I hear she'd fall, ha, she fell
Hear she'd fall, ha, she fellFallen on, fallen on do we?
Fallen on, fallen on me
Fallen on, fallen on do we?
Fallen on, fallen on me, fall
Fallen on, fallen on do we?
Fallen on, fallen on me, fallen on
