The Other Side

David Gray

Meet me on the other side
Meet me on the other side
I'll see you on the other side
See you on the other sideHoney now if I'm honest
I still don't know what love is
Another mirage folds
Into the haze of time recalledNow the floodgates cannot hold
All my sorrow all my rage
A tear drop falls on every pageMeet me on the other side
Meet me on the other sideAnd maybe I ought to mention
Was never my intention
To harm you or your kin
Are you so scared to look withinThe ghosts are crawling on our skin
We may race and we may run
We'll not undo what has been done
Or change the moment when it's goneMeet me on the other side
Meet me on the other side
I'll see you on the other side
I'll see you on the other sideI know it would be outrageous
To come on all courageous
And offer you my hand
To pull you up on to dry landWhen all I got is sinking sand
The trick ain't worth the time it buys
I'm sick of hearing my own lies
And love's a raven when it fliesMeet me on the other side
Meet me on the other side
I'll see you on the other side
I'll see you on the other sideAnd honey now if I'm honest
I still don't know what love is
