Joy

Newsboys

You give me joy that's unspeakable
And I like it, and I like it, yeah
Your love for me is irresistible
I can't fight it, I can't fight it, yeahIf life is water, I was dry as Tucson dirt
If it's a gamble, I'd already lost my shirt
If it's a journey, I was dazed without a clue
I flipped a "U" back to the first love I ever knewYou give me joy that's unspeakable
And I like it, and I like it, yeah
Your love for me is irresistible
I can't fight it, I can't fight it, yeahYou carried the cross and took my shame
I believe it, I believe it, yeah
You shine Your light of amazing grace
I receive it, I receive it, yeahIf life's a battle, the invasion is complete
If it's a rhythm, I have found the perfect beat
If it's a renaissance, I've got a new birthday
The world don't give it and the world can't take it awayYou give me joy that's unspeakable
And I like it, and I like it, yeah
Your love for me is irresistible
I can't fight it, I can't fight it, yeahYou carried the cross and took my shame
I believe it, I believe it, yeah
You shine Your light of amazing grace
I receive it, I receive it, yeahI'm bowed and broken, everything's new
All that I need, You're like water to seed
And how Your love rights everything wrong
And in my weakness, You're ever stronger
You're pulling me back where I belongYou give me joy that's unspeakable
And I like it, and I like it, yeah
Your love for me is irresistible
I can't fight it, I can't fight itYou carried the cross and took my shame
I believe it, I believe it, yeah
You shine Your light of amazing grace
I receive it, I receive it, yeahYou give me joy that's unspeakable
And I like it, and I like it, yeah
Your love for me is irresistible
I can't fight it, I can't fight it, yeahYou carried the cross and took my shame
I believe it, I believe it, yeah
You shine Your light of amazing grace
I receive it, I receive it, yeahYou give me joy that's unspeakable
And I like it, and I like it, yeah

Your love for me is irresistible
I can't fight it, I can't fight it, yeahYou carried the cross and took my shame
I believe it, I believe it, yeah
You shine Your light of amazing grace
I receive it, I receive it, yeahYou give me joy that's unspeakable
And I like it
