Suede

Watching all the women shaping slimming
Walking down the roads again
Looking at the lovers under covers
Come in and let's be friends
Watching all the school girls breaking the rules
Running round and having sex
Watching all the women shaking slimming
Come in and cash the chequesThe suburban girls and they're making noise
And they're making eyes at suburban boys
Watching all the lovers under covers
Watching all the roads bend,
Listening to Lulu, Amazulea,
Come in and let's pretendWatching all the women shaking slimming
Walking down the road again
Scheming like a school boy watching you boy
Come in and let's pretendThe suburban girls, and they're making noise,
And they're making eyes at suburban boys, at suburban boys, at suburban boysThe suburban girls, and they're making noise,
And they're making eyes at suburban boysThe suburban girls, and they're making noise,
And they're making eyes at suburban boys,At suburban boys,
At suburban boys,
At suburban boys
