Exhale (Shoop Shoop)

Babyface

Everyone fall in love sometime
And sometimes it's wrong and sometimes it's right
But for every for every every every win
Someone someone someone must fail
But there comes a point when when you exhaleShoop shoop shoop shoo be doop
Shoop shoop shoo be doop
Shoop shoop shoo be doop
Shoop shoop shoo be doop
Shoop shoop shoo be doop
Shoop shoop shoo be doop
Shoop shoop shoo be doopHearts are often broken when there are words unspoken
In your soul there's answers to your prayers
If you're searching for a place you know
A familiar face some where to go
You should search inside yourself when you're halfway thereSometimes you'll laugh and sometimes you cry
Life never tells us the low whens or whys
But when you've got friends to wish you well
You'll find you're point when you will exhale
