Light A Match

Chic Gamine

Below the clouds
All lit up
We radiate
We love so much
The shape of our hunger
Our lighting and thunder
Our lightning and thunder
And tears(Chorus)
Light a match (x3)
Light a match and watch it burn
Watch it glow (x3)
Will you blow (x3)
It up
It out (x2)And when the world comes crashing down
You feel (x2)
You feel it
Flashing fire behind your eyes
You hide
But still
You hear it
Started a war you never meant to fight
You found hell looking for paradise
You found hell looking for paradise
Paradise(Chorus X2)Oooh (x5)
Ooh oooh(Chorus X2)Oooh (x5)
Ooh oooh
