Make The World Go Away

Ray Price

Make the world go away
And get it off of my shoulders
Say the things you used to say
And make the world go awayI'm sorry if I hurt you
I'll make it up day by day
Just tell me you still love me
And make the world go awayMake the world go away
Just get it off, off of my shoulders
Say the things you used to say
Only you can make it go awayYou remember when you loved me
Before the world took me astray
If you do then forgive me
And make the world go away
