

Power Struggle

System of a Down

Fish that don't drown
Life in a bubble jungle
I wouldn't frown
Not short another chuckleSnake in the ground
But I was in there for you
Now leaving town
Life in a bubble jungleSeeing you believing us adhering
We're the power struck
Believing, then kneeling, appeasing
The power struggleWe're left with no arms
Right in the power struggle
We're left with no arms
Right in the power struggleWearing a crown
Life in a bubble jungle
Chasing a clown
Not short another chuckleSnake in the ground
But I was waiting for you
Now we have found
Life in a bubble jungleSeeing you believing, us adhering
We're the power struck
Believing, then kneeling, appeasing
The power struggleWe're left with no arms
Right in the power struggle
We're left with no arms
Right in the power struggleLeft with no arms
In the power struggle
Left with no arms
In the power struggleMay I remind you
May I remind you
May I remind you
May I remind youMay I remind you
May I remind you
May I remind you
May I remind youMay I remind you
May I remind you
May I remind you
May I remind youYour life is in a bubble jungle
Seeing you believing, us adhering
We're the power struck

Believing, then kneeling, appeasingThe power struggle
We're left with no arms
Right in the power struggle
We're left with no armsRight in the power struggle
Left with no arms
In the power struggle
Left with no armsRight here in the power struggle
