The Cleansing

Wolves in the Throne Room

"Come clean"
He calls to my
unwilling ears
"Speak to me
Shed light in the
darkest of places"

I'm hiding
No one should see me like this
Especially not
The Forgiver
God I am unclean
I have failed you in your sight
I am a mess and a monster

I am a beast,
Again I stumble and fall short
My eyes
Have wavered from the prize
Let me not
Continue on this path
Only ending in destruction

"Breathe Deep
in my arms
Talk to me
My beloved child"
God I'm such a mess
How could you love someone like me?

"I'm here for you
I have a purpose for your life
speak to me
I'll show you what it is to live"

Oh God,you are my everything
Take from me
These shortcomings and doubt
I give my life up to you
Teach me to live with a purpose

Oh God I am your insturment
Use me and I'll faithfully follow

Oh my God my life is yours
Guide my way with your hands
My purpose can be found in you

I bear my soul
I lift it to my God
Amazing peace
Fills me with happiness
No longer
Am I hiding in the dark
No longer
Must I cower in shame
My God My Lord
Has forgiven me
His loving hands
guide my way.
