

# Moana (Album Version)

## Deftones

Somehow calm as she walks on stage  
Her entire empire becomes your taste  
Your taste  
Show me  
ComeLet me know what you're like  
Let me know what you're like  
What's your taste?I bet she carves your heart when she walks onstage  
Her empire slowly becomes your place  
Your place  
Show me  
ComeLet me know what you're like  
Let me know what you're like  
In your place, your place (place)Somehow calm as she walks offstage  
An entire empire recall your face  
Your face  
Show me  
ComeLet me know what you're like  
Let me know what you're like  
Your face, your face  
(Hopelessly devoted)
