I got many designs they're downloading on BingMy cousin got his G.C.S.E.'s decorating
He's handy you might need him when I finish what I'm saying
Let's be frank, you my Stan, I'm your Stan
I don't care what you smoke, what you fucking drank
I'm allowed to be pissed at mates who are yanks
'Cause it's not me and you, it's the fucking banks!Bring the noise when we run upon them! (Bring the noize when we run upon them!)
Bring the noise when we run upon them! (Bring the noize when we run upon them!)

What started as a life now it got him banned

Gated mansions next to XXBoys on motor bikes next to Maybachs
We got backpacks next to kids from Kyzack
Ex-convicts and diplomats
Got rappers and Russians who don't pay tax
These cards are stacked and this is out crack
