Nickelback

Bribing me, we come, we watched how
We're last to throw our pennies
A passive tramps lifts her skirt
And asks us then we throw them down to herAnd I know why I will always follow you
Anywhere my brother leads me toWe don't want to live in the sun
Just to keep them happy for awhile
Midnight, and Frank freaks out
And reaches God and fairly tied up tooBut I know why I will always follow you
Anywhere my brother leads me to
And I remember wanting to be you
And pray to God that we would all pull through'Cause I know why I will always follow you
If you're my brother then I will follow youLifelong friends threw bottle ends
And yell in the air like lifelong enemies
Who's stronger, who's lived longer?
World quarrels and grand kids on your knee'Cause I know I will always follow
Anywhere my brother leads me to
And I remember wanting to be you
And pray to God that we would all pull through'Cause I know why I will always follow you
If you're my brother, then I will follow you'Cause I know why I will always follow
I will follow you and I will
I know why I will always follow
I will follow you and I will
