

Funny Vibe

Living Colour

No, Im not gonna rob you
No, Im not gonna beat you
No, Im not gonna rape you So why you wanna give me that? Funny vibe
Funny-funny vibe
Funny-funny vibe
Funny-funny vibe No, Im not gonna hurt you
No, Im not gonna harm you
And I try not to hate you So why you wanna give me that? Funny vibe Funny vibe Why you wanna give me
that? Funny vibe
