

# Tonight

## Ozzy Osbourne

Now I'm back out on the streets again  
It never rains unless it pours  
Try to get back on my feet again  
I hear the raging thunder as it roars  
Tonight, tonight, is it just a rhapsody  
Or am I right  
Tonight tonight is it all a mystery  
I just can't fight no more  
I hear the questions surface my mind  
Of the mistakes that I have made  
Times and places have left behind  
And am I ever gonna make the grade  
Tonight tonight is it just a rhapsody  
Or am I right  
Tonight tonight is it all a mystery  
I just can't fight no more  
As I beat my head against the wall  
Running around in circles in vain  
I'm feeling three foot tall  
You don't understand I'm fading away  
Don't want your pity or your sympathy  
It isn't gonna prove a thing to me  
Good intentions pave the way to hell  
Don't worry when you hear me sing  
Tonight tonight is it just a rhapsody  
Or am I right  
Tonight tonight is it all a mystery  
I just can't fight no more
