Later On

Kate Nash

That boy behind the curtain was no one that I trusted
I didn't like his face, I didn't think that he was cute
But I kissed him just to get some information
I used my body and his desperation
We jumped up, got out of there, yeah we were chased
And I'm, I'm telling you that town was a scary place
But, I would do it all again the same, yeah
I would do it all again the same
And later on I'm crying my stupid eyes out
Later on I'm crying like a baby
And yeah, baby don't get so disappointed
I am not what you anticipated
Later on I'm crying my stupid eyes out
Later on I'm crying like a baby
And yeah, baby don't get so disappointed
I am not what you anticipated
I wish that I did not make the decisions
I'll never get back into that
I ripped my hair out of my pockets 'cause, 'cause I felt bad
I let him down, I didn't mean to make him sad
And later on I'm crying my stupid eyes out
Later on I'm crying like a baby
And yeah, baby don't get so disappointed
I am not what you anticipated
Later on I'm crying my stupid eyes out
Yeah, yeah, crying like a baby
Yeah, baby don't get so disappointed
I am not what you anticipated
1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11
And later on I'm crying my stupid eyes out
Later on I'm crying like a baby
And yeah, baby don't get so disappointed
I am not what you anticipated
Later on I'm crying my stupid eyes out
Yeah, yeah, crying like a baby
And yeah, baby don't get so disappointed
I am not what you anticipated
I am not what you anticipated
