A Blossom Fell

Sue Raney

A blossom fell,From off a tree,
It settled softly on the lips you turned to me
The gypsies say, and I know why
A falling blossom only touches lips that lieA blossom fell and very soon
I saw you kissing someone new beneath the moon
I thought you loved me
You said you loved meWe planned together to dream forever
The dream has ended for true love died
The night a blossom fell and touched two lips that lied.A blossom fell and very soon
You were kissing someone new beneath the moon
I thought you loved me
You said you loved me
