Sing it back

Cixi

When you are ready, I will surrender
Take me and do as you will
Have what you want
Your way's always the best wayI have succumbed to this passive sensation
Peacefully falling away
I am the zombie, your wish will command me
Laugh as I fall to my kneesCan I control this empty delusion?
Lost in the fire below
And you come running
Your eyes will be openAnd when you come back, I'll be as you want me
Only so eager to please
My little song will keep you beside me
Thinking your name as I singSing it back to me
Sing it back to meNo, you can't help it if you have been tempted
By fruit hanging ripe on the tree
And I feel useless, don't care what the truth is
You will be here, come the dayTruth, do you hear me? Don't try to come near me
So tired I sleep through the lie
If you desire to lay here beside me
Come to my sweet melodySing it back to me
(Sing it)
Bring it back
(Sing it)Sing it back
(Sing it)
Bring it backSing it back to me
(Sing it, sing it, sing it)
(Sing it back to me)
Bring it backSing it back
Bring it back
Sing it back to me
