

# Together Again (Jimmy Jam Deeper radio edit)

## Janet Jackson

There are times  
When I look above  
And beyond  
There are times when I feel your love  
Around me baby  
I'll never forget my baby  
(I'll never forget you) There are times when I look above and beyond  
There are times when I feel your love around me baby  
I'll never forget my baby When I feel that I don't belong  
Draw my strength  
From the words when you said  
Hey it's about you baby  
Look deeper inside you baby Dream about us together again  
What I want us together again baby  
I know we'll be together again cuz Everywhere I go  
Every smile I see  
I know you are there  
Smilin back at me  
Dancin in moonlight  
I know you are free  
Cuz I can see your star  
Shinin down on me (together again, ooh)  
Good times we'll share again  
(together again, ooh)  
Makes me wanna dance  
(together again, ooh)  
Say it loud and proud  
(together again, ooh)  
All my love's for you Always been a true angel to me  
Now above  
I can't wait for you to wrap your wings around me baby  
Ooh wrap them around me baby Sometimes hear you whisperin  
No more pain  
No worries will you ever see now baby  
I'm so happy for my baby Dream about us together again  
What I want us together again baby  
I know we'll be together again cuz Everywhere I go  
Every smile I see  
I know you are there

Smilin back at me  
Dancin in moonlight  
I know you are free  
Cuz I can see your star  
Shinin down on me(together again, ooh)  
Good times we'll share again  
(together again, ooh)  
Ooh it makes me wanna dance  
(together again, ooh)  
Say it loud and proud  
(together again, ooh)  
All my love's for you There are times when I look above and beyond  
There are times when I feel you smile upon me baby  
I'll never forget my baby What I'd give just to hold you close  
As on earth  
In heaven we will be together baby  
Together again my baby Everywhere I go  
Every smile I see  
I know you are there  
Smilin back at me  
Dancin in moonlight  
I know you are free  
Cuz I can see your star  
Shinin down on me Everywhere I go  
Every smile I see  
I know you are there  
Smilin back at me  
Dancin in moonlight  
I know you are free  
Cuz I can see your star  
Shinin down on me
