Infamous

Basia Bulat

Saw the pictures, read all your darkest thoughts
While you were waitin', ready to brush me off
We could be friendly, we could be out of touch
We could be famous or even infamous
If you want
Come back or not but call it off
Come back or don't but turn me down
Don't waste my time pretending love is somewhere else
Come back or not but call it off
Come back or don't but turn around
Stop wasting time pretending love is somewhere else
Should have been easy, but how can I close my eyes?
You have new friends now, I didn't recognize
For every time you'd say, I, I ask for too much
You spend another day tryin' to be infamous
Turn around
Come back or not but call it off
Come back or don't but turn me down
Don't waste my time pretending love is somewhere else
Come back or don't but call it off
Come back alone or turn me down
Don't waste my time pretending love is somewhere else
Somewhere else
Somewhere else
Somewhere
Somewhere else
Come back or not but call it off
Come back or don't but turn me down
Don't waste my time pretending love is somewhere else
Come back or don't but call it off
Come back alone or turn me down
Don't waste my time pretending at all
Come back alone or call it off
You're gonna kill the both of us
Come back alone or call it off
Don't waste my time pretending at all
Come back or don't but call it off
Are you already somewhere else?
Somewhere else

Somewhere else
Somewhere
Somewhere else
