I Wanna Be With You

YYZ

I can't stand the heat when you're next to me
No one said that this is how it would feel
Try hard as I might I can't leave you be
So baby tell me is this love or a fantasy?I wanna be with you and I think you feel it too
I wanna be with you (all night, all night)
'Cause when I'm not with you, I think about what we could do
Just get me alone with you (it's alright, alright)Ay-ay-oh-oh-oh-oh
Are we really going to dance tonight? (all night all night)
Ay-ay-oh-oh-oh-oh
Are we really going to dance tonight (alright alright)I can't stand the cold when you're not with me
I watch you run round town with any little girl you please
They all say you're trouble but I disagree
I think danger just adds to your mystery...I wanna be with you and I think you feel it too
I wanna be with you (all night, all night)
'Cause when I'm not with you, I think about what we could do
Just get me alone with you (it's alright, alright)Ay-ay-oh-oh-oh-oh
Are we really going to dance tonight? (all night all night)
Ay-ay-oh-oh-oh-oh
Are we really going to dance tonight (alright alright)Eyes are watching
Know they're talking
But your body's calling me now
Eyes are watching
Know they're talking
But your body's calling me now, me nowI wanna be with you and I think you feel it too
I wanna be with you (all night, all night)
'Cause when I'm not with you, I think about what we could do
Just get me alone with you (it's alright, alright)Ay-ay-oh-oh-oh-oh
Are we really going to dance tonight? (all night all night)
Ay-ay-oh-oh-oh-oh
Are we really going to dance tonight (alright alright)Walk in through the door
Take it to the floor
You always make me feel alright (alright)
It's you that I adore
Take it to the floor
You always make feel alright (alright)Ay-ay-oh-oh-oh-oh
Are we really going to dance tonight? (all night all night)
Ay-ay-oh-oh-oh-oh
Are we really going to dance tonight (alright alright)
