Sleepy

Ike Willis

I tell you: I love my girl
Iâ€™ll see you later
Thereâ€™s too much that I can do
I got to go, no, I canâ€™t stay here
I should not be here by you
Sleepy, I love you
They question me, and they try to see
How youâ€™ve taken my mind away

See you later
See you later

The girls tell you that Iâ€™m a phoney
I can only do my share
And the times that you were cold nâ€™ lonely
My overtures to you are fair
Sleepy, I love you
They question me, still it escapes me
How youâ€™ve taken my mind away

See you later
I know
See you later

I do not want to control ya
I just want things to be real
And I donâ€™t like those bad surprises
I especially donâ€™t like asking â€œWhatâ€™s the deal?â€•

Itâ€™s on your face, just canâ€™t erase
How youâ€™ve taken my mind away

See you later
I just donâ€™t know
But I see you later

Sleepy
Sleepy
Sleepy...
