Flying Away

Robert Miles

Me, you will go flying away
I'm gon' take you lil' higher
We'll go flying away
Where the sun is wet and the rainbow's fly
Flying away
Unto another star
Where I'm mines and our hearts will find a way
Baby, here's your only chance
Call me your sunshine
On a rainy day, love is on the way
Don't you worry 'bout nothing at all
If you really need a friend, it's me you could call
But I won't bring you down
We'll fly high up above the ground
And me and you
Me, you will go flying away
I'm gon' take you lil' higher
We'll go flying away
Where the sun is wet and the rainbow's fly
Flying away
Unto another star
Where I'm mines and our hearts will find a way
Oh everything you're dreaming of
You can always find it, Inside me there's love
I won't push and shove
I'll be so gentle with your feelings you'll see
That you really need a woman and the woman is me
I won't play no games
I will always stay the same
Let's go higher baby
Me, you will go flying away
I'm gon' take you lil' higher
We'll go flying away
Where the sun is wet and the rainbow's fly
Flying away
Unto another star
Where I'm mines and our hearts will find a way
I know that you feel so good
Up above, you see and you and me

So we'd go
We'll climb and we'll climb
And we're gonna get so high
Till we reach the stars
Finally get to Mars
We'll go higher, babe
Yes we will, yes we will
We'll go higher, higher baby
Let's go higher, higher, higher baby
I wanna go higher and higher, yeah higher
Higher, higher, higher, higher, higher
Me, you will go flying away
I'm gon' take you lil' higher
We'll go flying away
Where the sun is wet and the rainbow's fly
Flying away
Unto another star
Where I'm mines and our hearts will find a way
Me, you will go flying away
I'm gon' take you lil' higher
We'll go flying away
Where the sun is wet and the rainbow's fly
Flying away
Unto another star
Where I'm mines and our hearts will find a way
Me, you will go flying away
I'm gon' take you lil' higher
We'll go flying away
Where the sun is wet and the rainbow's fly
Flying away
Unto another star
Where I'm mines and our hearts will find a way
Me, you will go flying away
I'm gon' take you lil' higher
We'll go flying away
Where the sun is wet and the rainbow's fly
Flying away
Unto another star
Where I'm mines and our hearts will find a way
