People Like Me

Hanoi Rocks

You need someone to point your finger at
Well yeah, I'm your man, I'm everything you lack
Someone to kick around when I'm down
Maybe steal my credit where success is foundYeah, one once might've had a hit
But that's yesterday's news, now no one gives a shit
In the void of my depression time
I fought my way back to a better lifeBUT I'M SO JADED, DREAMS FADED
IT'S HARDER THAN YOU THINK
LOVED, HATED, FRUSTRATED
I'M THE MISSING LINK
RADIO AND MTV - YOU NEED PEOPLE LIKE MEI never did pussy-foot around
Or trade King for a day for a lifetime clown
I don't look back or before I leap
I get my kicks and I take the heatAll the sameI'M SO JADED, DREAMS FADED
IT'S HARDER THAN YOU THINK
LOVED, HATED, FRUSTRATED
I'M THE MISSING LINK
RADIO AND MTV - YOU NEED PEOPLE LIKE ME!SO JADED, FRUSTRATED
LIVIN' ON A BRINK
YOU FEED OFF ME, LEAN ON ME
I'M THE BEAT YOU MISSEDSO JADED, FRUSTRATED
IT'S HARDER THAN YOU THINK
LOVED, HATED - I MADE IT
I'M THE MISSING LINK
RADIO AND MTV - YOU NEED PEOPLE LIKE ME!I SAID, RADIO AND MTV - YOU NEED PEOPLE LIKE ME!You'll like me!
