Drown

Morgan James

I thought I knew how to hold my breath
I thought I had found all that I'd been left
I thought I was living close to death
I didn't know what to do
Honey be lonely for these long days
Honey believe in the one that stays
Go on waitin' for them, till it's over your head
'Cause you've been waiting with your heart out
Gotta go where you're led
'Cause you will find me at the bottom when you come on down
Let yourself drown
I thought I would die if I lost my air
I thought if I dissapear that noone would care
I saw my salvation but there was nothing there
I didn't know about you
Honey be lonely for these long days
Honey believe in the one that stays
Go on waitin' for them, till it's over your head
'Cause you've been waiting with your heart out
Gotta go where you're led
'Cause you will find me at the bottom when you come on down
Let yourself drown
Won't you let me take you down
Won't you let me take you down
Better believe, believe in me
Better believe and breathe
Oh
Waitin' for them, till it's over your head
'Cause you've been waiting with your heart out
Gotta go where you're led
'Cause you will find me at the bottom when you come on down
'Cause you will find me at the bottom when you come on down
Won't you let me take you down
Let yourself drown
Won't you let me
Won't you let me take you down
