Life Is a Highway

Rascal Flatts

Advisory - the following lyrics contain explicit language:

Life's like a road that you travel on
When there's one day here and the next day gone
Sometimes you bend and sometimes you stand
Sometimes you turn your back to the windThere's a world outside every darkened door
Where blues won't haunt you anymore
Where brave are free and lovers soar
Come ride with me to the distant shoreWe won't hesitate
To break down the garden gate
There's not much time left todayLife is a highway
I wanna ride it all night long
If you're going my way
I wanna drive it all night longThrough all these cities and all these towns
It's in my blood, and it's all around
I love you now like I loved you then
This is the road, and these are the handsFrom Mozambique to those Memphis nights
The Khyber Pass to Vancouver's lights
Knock me down and back up again
You're in my blood; I'm not a lonely manThere's no load I can't hold
A road so rough this I know
I'll be there when the light comes in
Tell 'em we're survivors
Life is a highway
I wanna ride it all night long
If you're going my way
I wanna drive it all night long
Life is a highway
I wanna ride it all night long
If you're going my way
I wanna drive it all night longThere was a distance between you and I
A misunderstanding once
But now we look in the eyeThere ain't no load that I can't hold
A road so rough this I know

I'll be there when the light comes in
Tell 'em we're survivorsLife is a highway
I wanna ride it all night long
If you're going my way
I wanna drive it all night long
Life is a highway
I wanna ride it all night long
If you're going my way
I wanna drive it all night long
Gimme, gimme, gimme, gimme, yeah
Life is a highway
I wanna ride it all night long
If you're going my way
I wanna drive it all night long
