Starry Eyed

Ellie Goulding

Oh, oh, starry eyed
Hit, hit, hit, hit, hit me with lightningHandle bars, never let go
Let go for anyone
Take me in, and throw out
My heart and get a new oneNext thing, we're touching
You look at me it's like you hit me with lightningOh, everybody's starry eyed
And everybody knows
Oh, everybody's starry eyed
And my body glowsSo we burst into colors
Colors and carousels
Fall head first
Like paper planes and playground gamesNext thing, we're touching
You look at me it's like you hit me with lightningOh, everybody's starry eyed
And everybody knows
Oh, everybody's starry eyed
And my body glowsNext thing we're touching
Next thing we're touching
Next thing we're touching
Next thing we're touchingNext thing we're touching
Next thing we're touching
Next thing we're touching
Next thing we're touchingHit me with lightningOh, everybody's starry eyed
And everybody knows
Oh, everybody's starry eyed
And my body glowsOh, everybody's starry eyed
And everybody knows
Oh, everybody's starry eyed
And my body glows
