Make Time for Love

Keith Washington

I'm comin' home early today
I've been goin' crazy, no, I just can't wait
I'm gonna love you 'til you cannot take no more
Tonight I'm yours and I'm ready to exploreLately, I've been working overtime
So when it comes to money, we'll be alright
I make more than enough
Let's make time for love, for loveA card to say I love you so
For no special reason, just to let you know
And maybe I can find a little band of gold
I'm comin' home, gonna love you all night longI got your favorite flowers by my side, baby
I've even got a bottle of our favorite wine
Tonight is for us, let's make time for love
Yeah, for love, for love, make time, fine timeSeems like we're always in a hurry
Love's always the sacrifice
Tonight ain't nothin' gonna tear us apart
I'm ready to start and I ain't gonna stopIt may get crazy, the times may get rough, yeah
We've got a lot of love, so don't let it go
Tonight I'm gonna take you into overload
You'll never know, we just might explodeTonight the stars speak of love
And since we love each other
I think that's reason enough
To make time for loveLove me, baby
I said all I wanna do is make sweet love to you
Come here, baby, I'm willin' and I'm able
To love you the way you need to be lovedCome on, baby, take your flowers
Let's wine and dine one another
Love each other and make time for love
Right here and now, right here and nowBaby, can we make time?
Spend time for love
For love
