DiscothÃ¨que (Hexadecimal Mix)

U2

You can reach
But you can't grab it
You can hold it, control it
No but, you can't bag itYou can push
But you can't direct it
Circulate, regulate, oh no
You cannot connect itYou know you're chewing bubblegum
You know what that is
But you still want some
You just can't get enough
Of that lovie dovie stuffYou get confused
But you know it
Yeah, you hurt for it, work for it, love
You don't always show itLet's go
Let's go
Let's go
DiscothequeLet's go
Let's go
DiscothequeLooking for the one
But you know you're somewhere else instead
You want to be the song
Be the song that you hear in your headIt's not a trick
'Cause you can't learn it
It's the way you don't pay, that's okay
'Cause you can't earn itYou know you're chewing bubblegum
You know what that is
But you still want some
You just can't get enough
Of that lovie dovie stuffLet's go
Let's go, ah

DiscothequeLooking for the one
But you know you're somewhere else instead
You want to be the song
Be the song that you hear in your headLove
(You want heaven in your heart)

(The sun, the moon, and the stars)But you take what you can get

'Cause it's all that you can find
But you know there's something more
